Basic Rules and Understanding

- Event must be sanction with SBRA to be eligible, if event wasn't in the past that is ok it just will have to be for 2026.
- Host responsibility; must send in the results from the event for the Bonanza horses, we will calculate the payout and mail out the cheques ourselves. We will most likely set something up like CBHI/WF for contestants to submit an online form so we have all the details for mailing cheques and what horses they are running.
- Each event will get the same amount of added \$\$ you will have the option to payout for 2 days or 1 depending how many days your event is.
